

PERFORMANCE SKILLS (PS) LEADER TRAINING SOLUTION

360-degree feedback on 24 critical management competencies provides your managers with a road map to excellence

PS Leader 360 Feedback can give your managers the benchmark they need to take control of their future, identify their strengths and boost their effectiveness.

The PS Leader competency model defines 24 competencies that are important for effective performance at all leadership levels. The competencies describe both what successful leaders do and how they do it.

Turn good managers into Great Managers!

Leaders discover their strengths and blind spots. PS Leader provides managers a road map to superior performance across strategic, workforce and individual competency areas.
